EROSION & SEDIMENT CONTROL BMP REFRESHER
FOR CONTRACTORS NEEDING DEP EROSION CONTROL RE-CERTIFICATION

Registration Fee: $45

This course is intended as a refresher for basic erosion and sedimentation control techniques for certified contractors seeking re-certification credits and for Certified Tank Installers to meet erosion control training requirements. In 4-hour course, participants will learn why erosion control practices are important, be exposed to the principles of erosion and sedimentation, learn how to properly install and maintain Erosion & Sedimentation Control (‘ESC’) Best Management Practices (‘BMPs’), regulations requiring ESC. Participants are provided with information on the proper selection, installation and maintenance of ESC practices using Maine DEP’s Erosion and Sediment Control Practices Field Guide for Contractors.

The course is of primary interest to contractors seeking re-certification credits and Certified Tank Installers, but could also be helpful to municipal code enforcement officers, consultants, engineers and public works employees.
